CUSTOM MEASUREMENT FORM

INSTRUCTIONS

Please read these instructions through before starting. Use a soft tape measure to do all measurements. For woman, measurements should be taken in the bathing suit that will be worn under the wetsuit. For men, take measurements in swim shorts or briefs, all measurements should be taken snug not tight. No muscle flexing or sucked in tummies and please keep your back straight and your head level during measuring. Measure to the nearest 1/4 inch marking. Measurements should be taken by a friend or family member. Please do not measure yourself.

Follow the sequence on the drawings and take your time, you'll do fine.
